Judgment

The petitioner has approached this Court, feeling aggrieved by the proposal of the respondents to erect a transformer by the side of her plot in the puramboke land. She apprehends that the stay wires of the of the said transformer may be fixed in her property. Therefore, she has filed Ext.P4 representation before the 2nd respondent against the proposal to put up the transformer near to her property and thereafter, this Writ Petition is filed, seeking appropriate reliefs. The learned Standing Counsel for the KSEB submitted that the matter has been settled between the parties and the location of the transformer has been changed with the consent of the writ petitioner.
